

The Shop at Bluebird and Digital Wellbeing Labs invites you to celebrate the opening of "Black & White" at the Digital Wellbeing Showroom

Thursday 14 September 2006
7 pm to 9pm

"Black & White" at The Shop at Bluebird

The Digital Wellbeing Showroom is the first of a new kind of retail environment for digital lifestyle products and services.

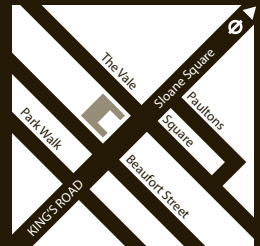

On show are a selection of exclusive digital appliances, alongside bespoke and customized products that include software and internet services. A careful blend of consumer electronics, fashion and work from international acclaimed and local sourced interaction designers and media artists make the Digital Wellbeing Showroom a place to discover not just electronic products, but also furniture, accessories, books, music, games and online services.

We tune technology to create harmony in your life...
